“ Keeping the Arts in Education “

“This Land is Your Land” and “It Happened in New Jersey” are the #1 must see school assembly programs.

These presentations are proven highly effective at engaging, educating, entertaining, and inspiring. Quite simply, it has helped to instill in tens of thousands of students a genuine interest and appreciation of our National and State history, culture, music, and folklore of our great land.

Our mission is to continue to bring our enrichment program to young students everywhere and inspire them to remain excited and aware of America's landscape, history and musical heritage by presenting the material as a live cultural arts performance.

This Land is Your Land

“ **This Land is your Land** ” represents a unique opportunity to augment and enrich our community’s schools history and music programs. Both our Assemblies meet Core Curriculum Content Standard Guidelines. Through a live musical interactive concert presentation, we combine original and well-known American folk songs presented as a duo with guitar, harmonica, fiddle, piano, banjo, mandolin and singing, into a 45 - 50 minute popular fun filled assembly presentation. Ideal for grades K through 6th that is guaranteed to entertain and educate, to stir young hearts and minds and to help instill a long-term appreciation for the richness and importance of Americas history, landscape and musical heritage.

“This history lesson had a positive impact on the students far greater than any printed lesson covered in class.”

Principal Paul A. Desmond - Meadowbrook Elementary School, Eatontown, NJ

It Happened in New Jersey

Recommended for grades 3,4 & 5 Our NJ Assembly program is full of all things Garden State. Including, Washington’s crossing at the Delaware, Thomas Edison, Charles Lindbergh’s historic Flight, Albert Einstein, Fun Facts and Folk Lore about New Jersey’s famous sons & daughters, including our historic towns and unique culture.

Our approach to teaching social studies with music is consistent with best professional practices that promote differentiated instruction and a focus on multiple intelligences.”

“The History of a people is best illuminated through its music”

During the assembly program there is also an engaging questions and answer session where students may ask questions about the presentation

Each performance reflects the American spirit and topics relating to current national holidays and historical events of remembrance. Please visit our website to see more about our program.

The Banks of The Delaware – A Stirring Account of Washington’s famous crossing during the Revolutionary war.

This Land is Your Land - Woody Guthrie’s American patriotic masterpiece

Ballad of the Alamo – An engaging account of the famous historic battle of the Alamo

Ragged Old Flag – A moving story of our great American flag throughout History

I’ve been everywhere - A fun and fast paced geography lesson of our nations states and towns.

Wabash Cannonball – Volunteers from the audience help us yodel our way through this song about a steam train and the pony express.

Growing up in America – The Declaration of Independence, walking on the moon, freedom of speech and story telling at its best.

Song selection will vary

Please visit www.educationsong.org

For more information and references.

“Nothing ignites a student’s interest in history and Americas rich landscape more effectively then songs and stories that bring past events stirringly back to life.
